TWO GREAT GAMES.

Exciting Contests Between The Bowlers and Wheeling.

THE EXTRAORDINARY SCORES MADE,

Particularly in the Last Game-Sam Harrison's Great Run Nearly Perfect-The Intense Rivalry Between The Two Organizations-How Preparations Were Made for the Game.

The first games in the championship senson of the Wheeling Bowling League, between the Wheeling Bowling Club and The Bowlers, at Wheeling Park, was by far the most exciting and inter-esting that have taken place for a long time. An intense rivalyy exists between the two clubs, and each was out for the two victories, but had to be satisfied with one a piece.

Yesterday Colonel Sam Harrison, of The Bowlers, received the following communication on a postal card, with a special delivery stamp attached, which

will no doubt be interesting:
WHEREING, W. Va., Dec. 20, 1893.
Dean Six:—Isit true that your club has disbanded? If so, answer by re-

tura special.

Wheeling Bowling Club,
P. O. Reymann, captain. P. O. Reymann, captain.

The autocrat of the McLure, with fire in his eyes and a deep desire for vengeance, hunted up Captain Reymann, and demanded satisfaction. The captain, however, backed by his clubmates, defied the wrothy colonel, and bade him do his worst. By the way, the colonel found the Wheeling club's captain, tegether with Mr. Grimm and others of the team, practicing at the game on the Seventeenth street bridge, with beer kegs for pins. Several high scores were reported.

In the games last night several records were made that will not soon be broken. Harrison made an individual score of 293, and the Bowlors made a team score of 1436, remarkably good rolling.

rolling.

The first game was won by the W. C. B. boys without much difficulty. The victors had over three hundred more pins than their opponents. The score in detail was as follows:

Harlett 4 4 2 1794 List 3 2 5 1794 Berry 5 3 2 2114 Frissell 6 0 4 1854	. F Stifel. 9 0 1 267

The evening was thoroughly enjoyed by all who were present. A number in addition to the players were present in the role of interested spectators. Mr. Grimm, of the Wheeling team, was eo confident of victory that in the afternoon he neatly ruled a form and credited his team with two victories and The Bowlers were charged with two defeats. He paid the penalty, and will rule a new form to-lay.

On the trip back to town much amusement was created by Will Day's hardly unsuccessful efforts to sing "Two Lattle Girls in Blue" in German.

Cadet Doddridge Writes Entertainingly to

In a recent letter from Honolulu, where his ship, the Philadelphia, is still stationed, Cadet John S. Doddridge, of this city, writes: "I have been having a very pleasant time since I have been here. very pleasant time since I have been here. I have made the acquaintance of several very nice families. We do not expect to leave here for several months, and I am sorry for it, for I do not like to stay in one port solong. H. M. S. Champion is here now, also the Inpanese man-of-war Naniwa, a very fine modern steel cruiser. We have altogether four menof-war in port, and expect several others soon.

"I see that the newspapers in the United States are full of the Hawaiian question. There seems to be an idea that there will be trouble, but I think that it will be settled without any bloodshed. The provisional government declares that it will stay in power and will not allow the queen to be restored, and if necessary they will resist the United States marines! They have about 1,200 men in their army. They have surrounded the government unidings with sandbags and say that they will drive us off the islands if we try to land."

SEWER PIPERS DISAGREE

Dissensions Crop Out in the Newly Formed

It is claimed that the recently organized Ohio Valley sewer pipe association is being torn to pieces by internal dissensions, due largely to the fact that several of the largest firms in the valley are not represented on the official board, and besides there are several recalcitant members who have wanted to get out of the association since its formation. These are entiting rates which the association aimed to stop by fixing uniform prices. A recent fight between firms at Reading has led to more discontent, and a meeting was hell yesterday at loroute, but no conclusion was reached and the recalcitant members could not be brought to terms. The outcome of this little inside fight is problematical, and may be the disruption of the association, and a return to the old demoralized condition of affairs. ized Ohio Valley sewer pipe association ized condition of affairs.

Judge Cranmer Lectures.

Last evening at the First Presbyterian church Judge G. L. Cranmer
lectured on "Sights and Scenes in England." The gentleman was recently
over on the "l'other sido" of the big
pond and his talk was made up of his
own experiences, which were told in a
graphic and realistic style which comnletely captivated the good sized audience that heard him. The lecture was
given under the ausnices of the mission

realized for the good work which the
